Re: Dendra Dengler, FPPC#090438

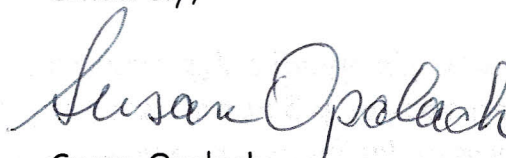

Honorable Members of the Commission:

My name is Susan Opalach. I have been volunteering my time in Manila since approximately 2003. I have had the pleasure to get to know Dendra Dengler. I know her to be a doer in the community, a gentle spirit, and respected within our community.

I believe that Dendra acted in the interest of the whole community, and it was not her intent for personal gain. Manila is a small community, situated on a peninsula about a half mile wide, and I can't imagine Dendra acting without thinking of the District and the community first and voting for the best interest of our community.

I understood that Dendra was asked to participate in this role, to follow through with the plans that the community and County had for years.

Sincerely,

Susan Opalach
