**Re: Regulation Clarification Project**

Dear Chair Ravel and Commissioners:

On behalf of the California Political Attorney's Association ("CPAA"), I am writing to express our support for the Commission's Regulation Clarification Project.

We applaud the Commission's efforts to revise current regulations and regulatory schemes to provide greater clarity to the regulated community and ensure better compliance with the Political Reform Act. We also welcome the opportunity to provide substantive input to the Commission throughout the process, beginning with the interested persons meetings that have been scheduled, including the upcoming meeting later this week in Los Angeles.

In furtherance of those efforts, CPAA has convened its Regulatory Committee to develop concrete proposals for submission to the Commission's staff. I am pleased to chair the Committee, and we look forward to working with you and your staff over the coming weeks and months to develop a regulatory scheme that is more clear, consistent and up to date.

Very truly yours,
