RE: Agenda Item 3; Form 806

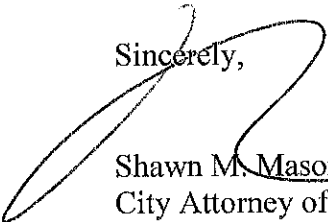

Dear Chair Ravel and Commissioners:

On behalf of the League of California Cities City Attorneys Department FPPC Committee, I submit this letter for comment on the above-referenced agenda item.

The Committee has considered the proposed form for reporting the appointment of council members to positions that would result in additional compensation for the appointee. Our committee supports the adoption of the draft form 806. Our committee did have questions about, and some minor suggested revisions to, the form instruction sheet. In discussing these matters with Commission staff, the committee's questions have been answered, and our interests in suggesting the edits have been addressed. We appreciate the time and effort your staff has invested in this matter.

I hope you find these comments helpful in your deliberations on these matters.

Sincerely,

Shawn M. Mason
City Attorney of San Mateo
Chair, League of California Cities City Attorneys Department FPPC Committee
