Re: FPPC Case No. 17/334

Thank you for allowing me to enter this letter related to the findings listed in the Stipulation, Decision and Order for case no. 17/334.

I would like to further explain the expenditures that are covered in Count 2. Four expenses were accidentally omitted from original filings. They were:

1. Shipping for campaign lawn signs = \$101.39
2. Campaign statement filing fees paid to the Riverside Registrar = \$600
3. Voter information CD, purchased from Riverside Registrar = \$35
4. Banking Fees paid to PayPal = \$4.95

These expenses were disclosed on an amended filing when it was recognized that they were accidentally omitted. The majority of these expenses were paid to the County of Riverside Voters Registrar and as the Enforcement Division noted in this stipulation agreement these expenses were not omitted with an intent to conceal information.
