Re: [Approval of Los Angeles County Matter, FPPC Case 2017-00150](#)

Dear Chairman Miadich and Commissioners,

I, as President of the Sacramento Taxpayers Association, urge your approval of the proposed settlement of our lawsuit *Howard Jarvis Taxpayers Association, et. al. v. Los Angeles County*. I also want to thank the Commission's Enforcement Division for its recent efforts enforcing the Act against cities and counties who have misused taxpayer funds on unlawful campaign activities. We believe that your approval of this historic settlement will serve as an important deterrent to other cities and counties considering such illegal activity in connection with the upcoming election.

Our taxpayer association will continue to monitor and report to the Commission any illegal taxpayer funded campaign activities by cities, counties, school districts and other special districts.

Yours sincerely,

Bruce
