My name is Ralph N McAdams Jr. I am writing this letter in support of Charles " Charlie " Grace.

My wife and I moved to our new home in San Simeon California in February 2002. At this time I had an opportunity to tour the San Simeon treatment facility. It was a complete mess both electrically and mechanically. After Charlie became Manager for the San Simeon Community Service District, the treatment facility finally operated smoothly.

Nobody has worked harder for the San Simeon Community than Charles Grace. Among his accomplishments are as follows: 1 - NO MORE FINES FOR OVER THE LIMIT AFFLUENT DISCHARGE 2 - OBTAINING A GRANT TO PURCHASE A PURPLE WATER MACHINE FOR THE COMMUNITY 3 - OBTAINING A GRANT TO PURCHASE A DESALINATION PLANT TO KEEP THE COMMUNITY IN CLEAN DRINKING WATER IN DROUGHT TIMES WHEN THE SEA INFILTRATED THE AQUIFER WITH SALT WATER.

I served on the San Simeon Community Service District Board as a member and director from 2011 to 2016. In that time I found Charlie to be hard working for the Community and HONEST in everything he did for the Community. Any talk of dishonesty is NONSENSE.

Respectfully
California, 90712
