

## 1. Public Comment

During this comment period, any person is invited to speak on any topic that is not listed on this agenda. Action may not be taken on any matter raised during this public comment period until the matter is specifically listed on a future agenda. Those who wish to comment on an item that has been listed on this agenda may comment when that item has been opened for consideration by the Commission and before any action is taken.

### 1. **Community Health Partnership of Santa Clara County** says:

February 16, 2023 at 10:17 am

Federally qualified, health centers, and community health centers play a critical role in serving the healthcare needs of underserved communities. Please be mindful of how certain aspects of the Levine act could impact the ability of health centers, and other nonprofits to provide healthcare services under County contracts. Limitations that would preclude elected officials from supporting the needs of their communities could harm communities with the greatest need. Our health centers are not for profit organizations.
