To: Chair Remke, Commissioners Audero, Casher, Wasserman, and Wynne
From: Lynda Cassady, Division Chief
Subject: Monthly Report
Date: October 5, 2015

Retirement

This is my last report to the Commission. I want to take this opportunity to express how fortunate I feel to have spent most of my career working for the Commission. We have made great strides over the years to increase and improve our educational and instructional material so that the public and those regulated by the Act have a valued resource for advice and compliance. I'm proud to have been a member of this agency and its team.

Forms and Manuals

The 2015/16 Statement of Economic Interests (Form 700) and accompanying documents will be available for public comment in the coming weeks. Campaign Disclosure Manual 1 for State Candidate Controlled Committees has been posted for public comments and is expected to be listed on the November Commission agenda for approval.
