Subject: RE: FPPC Opinion Request re P2P SMS

Ms. Lambing, Ms. Hon:

On behalf of my client, Toskr, Inc., we would like to request a review of the denial of the attached request by the Commissioners during the January 2019 public meeting (the date appears to have not been set as of now).

We would request 30 minutes to present our argument and to take questions from the Commissioners. It is our aim to show that requiring disclaimers on volunteer-sent text messages (paid for by a committee using Toskr's platform) would fall under the impracticability exemption envisioned in Regulation 18450.1(b).

Please let us know if you have any questions, and thank you for your assistance.
