

1 Adopt 2 Cal. Code Regs. Section 18723.1 to read:

2 **§ 18723.1 Statements of Economic Interests: Public Officials with Multiple Positions.**

3 (a) A public official who holds multiple positions specified in Section 87200 shall only
4 be required to file a single assuming office, leaving office, or annual statement of economic
5 interests if the official's primary position is required by law to serve in the additional position
6 specified in Section 87200. Such a statement shall contain all reportable interests for all
7 jurisdictions.

8 (b) Notwithstanding subdivision (a), if the official leaves the additional position on a
9 different date than the official assumes or leaves the official's primary position, the official shall
10 file a leaving office statement for that additional position under Regulation 18730.

11 (c) An official who holds a position identified in Section 87200 is not required to file a
12 separate statement of economic interest under the conflict of interest code of any agency with the
13 same jurisdiction as, or a narrower jurisdiction than, the agency in which the official holds the
14 Section 87200 position.

15 (d) A designated employee required to file a statement under any other agency's conflict
16 of interest code, or under Article 2 of the Act for a different jurisdiction, may expand the
17 statement to cover all reportable interests in all jurisdictions, and file copies of the expanded
18 statement with each agency in lieu of filing separate and distinct statements, provided that:

19 (1) With respect to an expanded statement submitted in paper format, each copy of the
20 expanded statement filed in place of an original is signed and verified by the designated
21 employee as if the copy is an original statement.

1 (2) With respect to an expanded statement submitted electronically through an electronic
2 filing system approved by the Commission, each copy of the original electronically signed
3 statement indicating the filing system’s SAN Number is filed in place of the original as if the
4 copy is an original statement consistent with Regulation 18115.2(c).

5 (e) A county supervisor, city councilmember, planning commissioner, or a mayor may
6 file with the Commission a single expanded annual statement for the official’s primary position
7 specified in Section 87200 and for each additional designated position the official holds, and a
8 separate statement need not be filed with each additional agency, if the expanded annual
9 statement contains all reportable interests for all jurisdictions.

10 (f) An official specified in subdivision (e) may file a single expanded assuming office or
11 leaving office statement for the official’s primary position specified in Section 87200 and each
12 additional designated position if the official assumes or leaves each additional designated
13 position on the same date as the official leaves the primary position. If the official assumes or
14 leaves a designated position on a different date than the official assumes or leaves the official’s
15 primary position, an assuming or leaving office statement shall be filed as provided in Regulation
16 18730.

17 (g) If an official specified in subdivision (e) also files the expanded statement described
18 in subdivisions (e) or (f) with another agency, that expanded statement is not required to be
19 forwarded to the Commission.
