Attached for your approval are the 2022/2023 Statement of Economic Interests Form 700, Form 700-A, Form 700-U, and Form 700 Amendments. They have been updated with dates and filing deadlines, gender neutral language, new electronic signature rules that were adopted by the Commission last year. Also included for informational purposes are updated reference materials including the Form 700 Reference Pamphlet and Form 700 Frequently Asked Questions.

The attached documents were made available on the Commission's website in October for public review and comment. Two comments were received during this period.
