## EXTERNAL EMAIL

Hello,

Thank you for engaging us in the Interested Persons Meeting for AB 1170. I want to provide the following comments:

1. I would like to request that the FPPC consider allowing those agencies with an approved electronic vendor to continue allowing the City to be the filing official for those agencies. If that is not possible, I would like to request a reverse data exchange so that the filing information gets automatically transferred to each agency's approved vendor/software.
2. Please make all filings available on the FPPC website to continue with the transparency our residents expect and are used to.
3. I would like to request that the FPPC send an email notification to the filing official when an 87200 filer from the agency files their form.

Thank you very much for your time.
