EXTERNAL EMAIL

Good morning,

As the filing officer for the Town of Paradise I would like to express my concern for the new filing requirement that 87200 filers must file via the Commission's e-filing system. The Town uses Netfile to submit Form 700 statements for all 87200 filers. I would request that the FPPC make an exception for all currently certified systems such as Netfile. This system helps to streamline the process, ensures that the filing officer can verify a timely submission and is an overall better approach to records management as is required of us by law. Please take the time to consider this request.

Thank you,

Melanie Elvis
