Other Forms

Appointments – Form 806

New Positions – Form 804

Regulation 18734 requires an individual hired for a position not yet covered under your agency's conflict of interest code to file Form 700 if the individual serves in a position that makes or participates in making governmental decisions.

The use of Form 804 helps agencies identify new positions and disclosure requirements for individuals serving in new positions. Form 804 is recommended as it promotes uniform reporting among agencies. Your agency retains form 804.

Example:

Your agency recently hired an IT Specialist. This is a brand-new position, and thus is not yet included in your agency's conflict of interest code. Because this individual will make decisions on purchasing computer software, the position must be added to the code. In the meantime, this person will file Form 700 under the broadest disclosure category (or limited disclosure if provided for on Form 804) until the code is amended to include this position.

Form 802 – New Rules

FPPC Regulation [18944.1](#) sets out the circumstances under which an agency's distribution of tickets to entertainment events, sporting events, and like occasions would not result in a gift to individuals who attend the function. In general, the agency must adopt a policy that identifies the public purpose served in distributing the admissions. The Form 802 serves to detail each event and the public purpose of each ticket distribution.

The FPPC does not receive Campaign Forms. They are not filed with or forwarded to the FPPC.
