Statement of Jim Macey – Regarding Form 700

Nov 9, 2016

I filed the form 700 with honest intentions. I was advised by inyo county and a senior board member on how to fill out the form properly.

Later, a disgruntled new board member “turned me in” to the state for filing “a phony form 700”. All his accusations were baseless except the non reporting of a non income property which I was advised did not require reporting.

I now face a one hundred dollar fine. I’d like to offer a suggestion to the state of California. Attach a disclaimer to the form 700 that if the person filling out the form makes an error in filing they will be subject to a minimum fine of one hundred dollars and a potential fine of \$5,000,00. Please fairly inform the applicant for public service of the consequences of an honest error in filing form 700.

The punitive position of the state is discouraging to those willing to volunteer their time on behalf of the community.

Sincerely,

Jim macey

**FAIR POLITICAL PRACTICES COMMISSION  
STATEMENT OF RESPONDENT'S RIGHTS**

The Complainant, the Enforcement Division of the Fair Political Practices Commission, and Respondent, both identified by name on the front of this document, hereby agree that this Stipulation, Decision and Order will be submitted for consideration by the Commission at its next regularly scheduled meeting.

The parties agree to enter into this Stipulation to resolve all factual and legal issues raised in this matter and to reach a final disposition without the necessity of holding an administrative hearing to determine the liability of Respondent.

Respondent understands and hereby knowingly and voluntarily waives any and all procedural rights under California Government Code sections 83115.5, 11500, *et seq.*, and 2 California Code of Regulations sections 18361.4 through 18361.11, including but not limited to the issuance and receipt of an accusation, and the right to appear personally and be represented by counsel at his or her own expense in any administrative hearing held in this matter, to confront and cross examine all witnesses testifying at the hearing, to subpoena witnesses to testify at the hearing, and to have an impartial administrative law judge present at the hearing to act as a hearing officer.

It is further stipulated and agreed that Respondent has violated the Political Reform Act as described herein.

Respondent agrees to the issuance of the Decision and Order and imposition by the Commission of a penalty in the amount specified on the Stipulation, and a cashier's check or money order in said amount, payable to the "General Fund of the State of California," has been submitted by Respondent to be held by the State of California until the Commission issues its Decision and Order.

The parties agree that in the event the Commission refuses to accept this Stipulation, it shall become null and void, and within fifteen (15) business days after the Commission meeting at which this Stipulation is rejected, payments tendered shall be reimbursed to Respondent. Respondent further stipulates and agrees that in the event the Commission rejects the Stipulation and a full evidentiary hearing before the Commission becomes necessary, neither a member of the Commission, nor the Executive Director, shall be disqualified because of prior consideration of this Stipulation.
